

RAISE the Bar of Asset Services to the Next Level

RAISE is an innovative technology platform developed by Linnovate Partners to revolutionize the asset servicing industry. As a unified ecosystem integrating multiple platforms, RAISE powers the end-to-end asset services offered by Linnovate Partners. It creates an efficient network for alternative investing through automation, streamlined workflows, and an enhanced user experience that supports the entire life cycle of funds. By integrating various functions onto a single platform, RAISE modernizes how asset management operations are conducted from fundraising to portfolio management and beyond. The result is a powerful yet intuitive solution that simplifies processes and brings together the alternative investments community on a global scale.

Integrating Multiple Platforms in a Unified Ecosystem

At RAISE, we offer the fundamentals in asset servicing including Investor Onboarding, Investor Relations, Compliance Management, Fund Administration, and Portfolio Monitoring. RAISE opens a network for all investment stakeholders to foster collaboration and enhance investment portfolios.
